ASSESSMENT RECORD

STATE OF MICHIGAN

Entered According to Act of Congress, in the year 1866,

By ADAMS & BLACKMER,

In the Clerk's Office of the District Court of the United States, for the Northern District of Illinois.

INTRODUCTION.

"The Clerk of the Board of Commissioners [of Highways] shall under their direction, make duplicates of the several [Highway Assessment] Lists, which shall be subscribed by the Commissioners, one of which lists for each Road District shall be filed by such Clerk in his office, and the other shall be forthwith delivered to the Overseer of Highways of the district in which the highway labor therein specified is assessed." *Compiled Laws, Vol. 1, Chap. 20, Sec. 6, (1018), P. 347.*

To aid the Township Clerk in making and preserving duplicates of Highway Assessment Lists, in accordance with the law above quoted, this book has been prepared.

The ruling and headings of the several columns are exact copies or duplicates of the Assessment Lists, which are to be delivered to the Highway Overseer.

These lists have been prepared with great care, and are believed to conform to the requirements of the latest statutes, relative to Highways throughout the State.
